Please note that multiple dates are listed for some exams. If you are a student taking one of these exams, it is your responsibility to ensure you do not have any scheduling conflicts on the days listed. Some exams require multiple days and some exams may only require one day of your time. This information will be communicated at the start of each course but it is imperative to leave days open as these exams cannot be excused or re-scheduled.

Exams for OSCE A and B occur in the quarter following completion of the course (i.e. a student registered in CLTR 4508 for Fall should refer to the Winter Exam schedule).
